## Gas Analyser CGP800

The Crypton CGP800 is a complete stand alone MOT gas analyser for petrol vehicles on the UK MOT test.

To test today's petrol vehicles you need a DVSA approved catalyst emission tester with a program that can be easily updated as legislation changes. The CGP800 is simple to update with an analyser that is economical to buy, easy to use and reliable.

### The CGP800 includes:

- Battery Tachometer
- Oil temperature probe
- 23" Flat Screen Monitor
- Mouse and keyboard with dust/grease protection
- A4 colour printer
- All housed in a high quality roll-round cabinet
- Delivery & on-site commissioning (UK mainland only)
- 3 year on site parts & labour warranty (UK mainland only)

For your local distributor please call 0844 665 7604, or visit
