

Smoke Meter CSP800

The Crypton CSP800 is a complete stand alone Smoke Meter primarily designed for diesel vehicles on the UK MOT test.

The DVSA Approved CSP800 caters for all diesel vehicles, cars, vans, trucks, buses, plus light and heavy plant machinery with sampling pipe options to suit different exhaust types. It includes HGV Reduced Pollution Certification test (RPC) enabling fleet operators to reduce running costs.

The CSP800 includes:

- Battery Tachometer
- Oil temperature probe
- 23" Flat Screen Monitor
- Mouse and keyboard with dust/grease protection
- A4 colour printer
- All housed in a high quality roll-round cabinet
- Delivery & on-site commissioning (UK mainland only)
- 3 year on site parts & labour warranty (UK mainland only)
