

EU Declaration of Conformity

This declaration of conformity is issued under the sole responsibility of the manufacturer.

Manufacturer: Continental Automotive Trading UK Ltd

Details of Equipment: CONTINENTAL HLA4400 Headlight Aligner

Models include: **HLA4400MOT** & **HLA4400HGV**
Pt. No. 2910003255200 Pt. No. 2910003255100

Description: The Headlight tester is designed to check the alignment of the main and dipped beams of a car, motorcycle, commercial vehicle or heavy goods vehicle.

Two models are available:

HLA4400MOT – For cars, motorcycles, and commercial vehicle

HLA4400HGV - For heavy goods vehicle

It consists of an optical lens and focusing device to measure luminosity and beam alignment with an aiming screen. The assembly is mounted on a stand and is fully adjustable in the vertical plane

Conformity:

The above described product complies with the essential requirements of the following directives:

- Low Voltage Directive (LVD) 2014/35/EU
- Electromagnetic Compatibility Directive (EMC) 2014/30/EU – EN61000-3-2
- Restriction of Hazardous Substances (RoHS) Directive 2011/65/EU
- ISO 10604 Road vehicles – Measurement equipment for orientation of headlamp luminous beams

CE Mark 1st applied: February 2024
